Move Out Day Best Practices

Start Planning Early

- It might make sense to have multiple move out days depending on campus size

Recruit Volunteers

- Incentivize them with gift cards, electronics, pizza, etc.
- Allocate club funding from sale proceeds back to those clubs who had volunteers donate hours

Designate as much space as possible!

- Break-out areas – separate items by type
- Centralized location that can be locked over the summer
- Order storage PODS if necessary

What to do with all the STUFF?

- Sell it campus-yard-sale style the day(s) before move-in day
- Donate any usable extra items to your campus store
- Recycle it!
- List it online / social media for the price of *FREE-99*

Do you have Mattresses or Box Springs to Recycle? Green Mattress Can Help!

- Schedule a Bulk Pickup! We will send a box truck around your campus on move out day
- Schedule a trailer drop-off at your college to keep mattresses separate and let us haul it away
- Call 508.232.3267 today for pricing. Now scheduling for Spring pickup dates
